

# A Web of Science középpontjában a kutató áll

The screenshot shows the top navigation bar of the Web of Science platform. It includes the 'Web of Science' logo, a search bar, and links for 'Marked List' (with a count of 83), 'History', and 'Saved Searches and Alerts'. The user's name, 'Eniko Toth Szasz', is displayed in the top right corner. Below the navigation bar, there are two main tabs: 'DOCUMENTS' and 'RESEARCHERS'. Under the 'DOCUMENTS' tab, there is a search input field with a dropdown menu for 'Web of Science Core Collection' and 'Editions: All'. Below the search field, there are buttons for '+ Add row', '+ Add date range', and 'Advanced Search'. A 'Clear' button and a 'Search' button are also present.

The screenshot displays the user dashboard for 'Eniko'. At the top, a welcome message reads 'Welcome back, Eniko!' with a 'Customize homepage view' button. Below this, there are two main sections: 'Recent searches' and 'Latest alerts'.  
**Recent searches:** This section lists several search results with their respective counts and session information. The items include:

- Citations of ferdinandy p (Cited Author):** In Web of Science Core Collection | Session: June 24, 2022 | View results (1,310)
- ferdinandy p (Cited Author):** In Web of Science Core Collection | Session: June 24, 2022 | View results (404)
- Ferdinandy, Peter (Author):** In Web of Science Core Collection | Session: June 24, 2022 | View results (357)
- Caines et al, 2022, Lattice conditional independence models and Hibi ideals:** In Web of Science Core Collection | Session: June 24, 2022

If the author record has been claimed, you can visit the **author's Publons profile** and find additional information there - publications not recorded in Web of Science, reviews, links to the author's external websites.

The image displays two screenshots illustrating the process of verifying an author's record. The left screenshot shows the Web of Science profile for Gert Worheide, with a red box highlighting the 'VIEW PUBLIC PROFILE' button. A blue arrow points from this button to the right screenshot, which shows the corresponding Publons profile for Gert Wörheide. The Publons profile includes a bio, metrics (221 publications, 7,624 total times cited, H-index 45), research fields, and identifiers.

The screenshot shows an author record for Marco Coraggio. At the top left, there is a navigation bar with a 'Back' button and a 'SUBMIT A CORRECTION' button. The author's name 'Coraggio, Marco' is displayed with a note: 'This is an algorithmically generated author record'. Below the name, the author's affiliation is listed: 'Dept Elect Engn & Informat Technol, NAPLES, ITALY'. The 'About' section includes 'Published name' (Coraggio, Marco) and 'Organization' (2017-2021 University of Naples Federico II). The 'PUBLICATIONS' tab is active, showing '6 Publications from the Web of Science Core Collection'. A 'VIEW AS SET OF RESULTS' button is visible. The 'AUTHOR IMPACT BEAMPLOT' section shows a 'CITATION PERCENTILE' graph with a scale from 0 to 100. The author's percentile range is indicated by a blue line, and the median citation percentile is marked with a green circle. A 'VIEW FULL BEAMPLOT' button is located below the graph. The 'Citation Network' section shows '2' and '6'.
