

LWW Health Library the teaching and learning tool to help meet the needs of lecturers and students

Lecturers

Welcome to the LWW Health Library!

Your institution has subscribed to the **LWW Health Library**, providing you with free access to a collection of Lippincott's most respected resources in a searchable, easy-to-use platform. It provides all of the WK carefully reviewed content that you know and trust in an easily accessible and searchable user interface for both instructors and students.

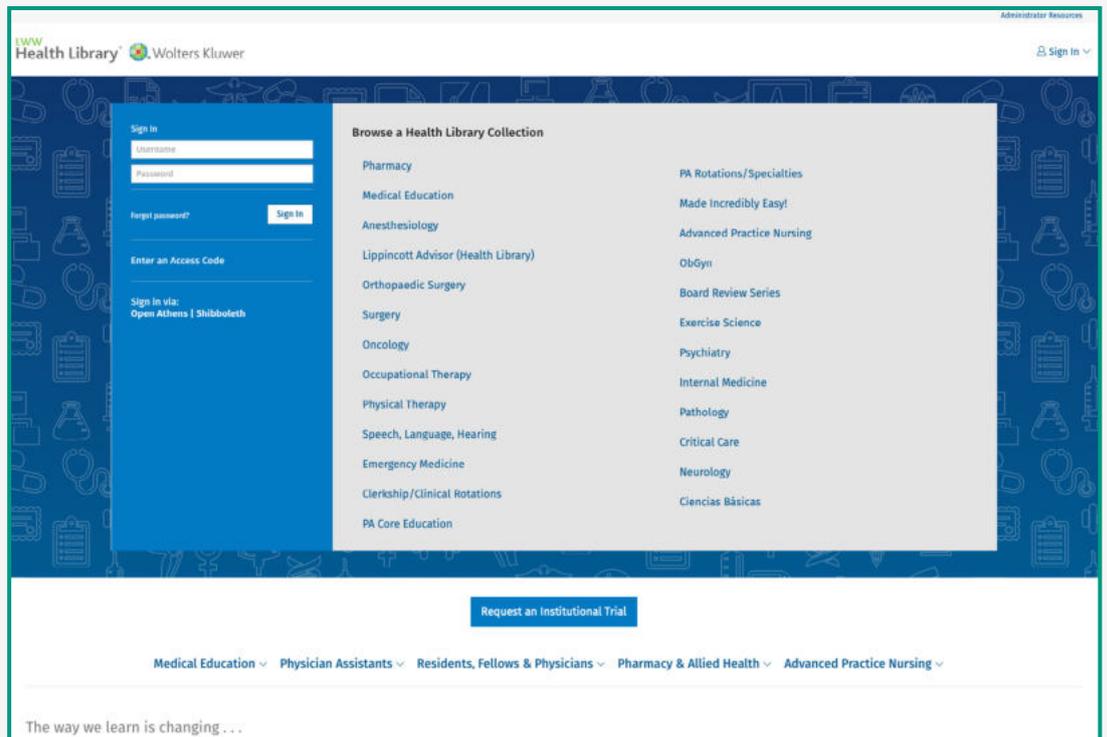

Lecturers, each LWW Health Library Collection offers a variety of content and tools to assist all learner types - you can incorporate it into your curriculum and learning portals by sharing book chapters, images, videos and provide learning through case studies and clinical case-building, with no limits on usage! Your students can use it for their course work and exam preparation as well as keep engaged with self assessments.

Take a look at all the ways to integrate the LWW Health Library resources for Faculty and Students, increase engagement and support and prepare your students to succeed in their courses!

Register for a free personal account and start using your new resource!

Accessing Health Library

You can access LWW Health Library [here](#).

The screenshot shows the LWW Health Library website interface. At the top left, it says "LWW Health Library" and "Wolters Kluwer". On the right, there is a "Sign In" link. The main content area is divided into two columns. The left column contains a "Sign In" form with fields for "Username" and "Password", a "Forgot password?" link, and a "Sign In" button. Below this is an "Enter an Access Code" field and "Sign in via: Open Athens | Shibboleth" options. The right column is titled "Browse a Health Library Collection" and lists various medical specialties and topics, including Pharmacy, Medical Education, Anesthesiology, Lippincott Advisor (Health Library), Orthopaedic Surgery, Surgery, Oncology, Occupational Therapy, Physical Therapy, Speech, Language, Hearing, Emergency Medicine, Clerkship/Clinical Rotations, PA Core Education, PA Rotations/Specialties, Made Incredibly Easy!, Advanced Practice Nursing, ObGyn, Board Review Series, Exercise Science, Psychiatry, Internal Medicine, Pathology, Critical Care, Neurology, and Ciencias Básicas. At the bottom of the page, there is a "Request an Institutional Trial" button and a navigation menu with categories: Medical Education, Physician Assistants, Residents, Fellows & Physicians, Pharmacy & Allied Health, and Advanced Practice Nursing. The footer text reads "The way we learn is changing..."

When you log in the LWW Health Library will appear.

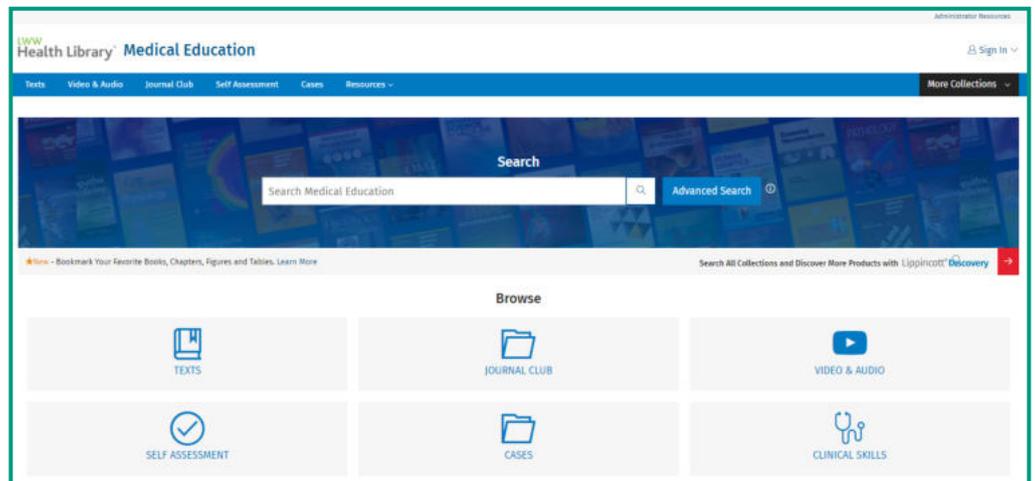

You can search or browse the Collections that your institution has subscribed and the various texts and media that are included:

- Access the **Collections** that your institution has subscribed
- Multimedia features, such as videos, quizzes and real-world case studies
- High-quality images for PowerPoint presentations
- Share/print book chapters
- Enhanced Search functionality – semantic targeting and filtering by subject

Browse a Health Library Collection

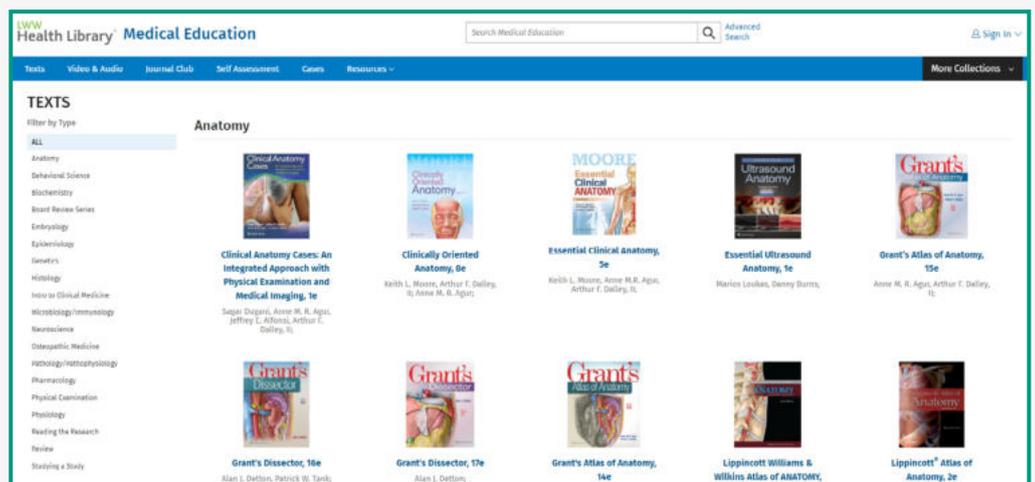

Pharmacy	PA Core Education
Medical Education	PA Rotations/Specialties
Anesthesiology	Made Incredibly Easy!
Lippincott Advisor (Health Library)	Advanced Practice Nursing
Orthopaedic Surgery	ObGyn
Surgery	Board Review Series
Oncology	Exercise Science
Occupational Therapy	Psychiatry
Physical Therapy	Internal Medicine
Speech, Language, Hearing	Pathology
Emergency Medicine	Critical Care
Clerkship/Clinical Rotations	Neurology

When you look at your library, you will see a list of resources available to you.

The screenshot shows the LWW Health Library Medical Education interface. At the top, there's a navigation bar with 'Texts', 'Video & Audio', 'Journal Club', 'Self Assessment', 'Cases', and 'Resources'. A search bar is prominently displayed with the text 'Search Medical Education' and an 'Advanced Search' button. Below the search bar, there are six large icons representing different content types: Texts, Journal Club, Video & Audio, Self Assessment, Cases, and Clinical Skills. A 'Browse' section is also visible above these icons.

When you click on the “Texts” icon, you will see the ebooks in your library.

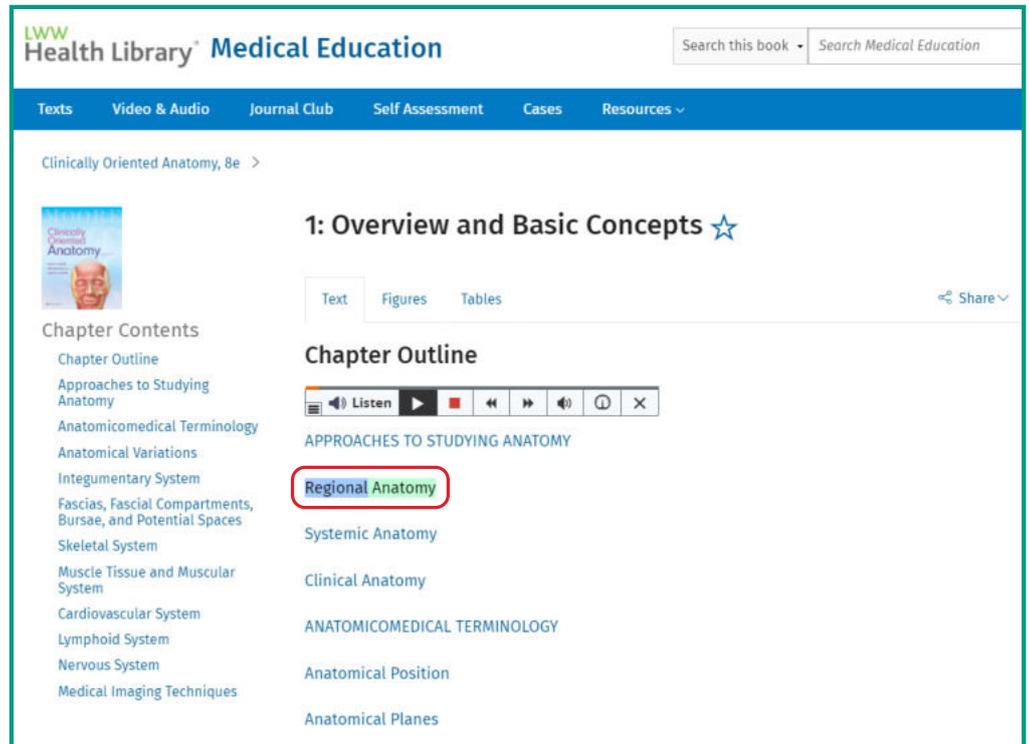

The screenshot shows the 'Texts' page within the LWW Health Library Medical Education interface. The page is titled 'Texts' and has a 'Filter by Type' dropdown menu set to 'All'. A list of subjects is provided on the left, including Anatomy, Behavioral Science, Biochemistry, Board Review Series, Embryology, Epidemiology, Genetics, Histology, How to Clinical Medicine, Microbiology/Immunology, Neuroscience, Osteopathic Medicine, Pathology/Pathophysiology, Pharmacology, Physical Examination, Physiology, Reading the Research, Review, and Studying a Study. The main content area displays a grid of book covers under the heading 'Anatomy'. Visible titles include 'Clinical Anatomy Cases: An Integrated Approach with Physical Examination and Medical Imaging, 1e', 'Clinically Oriented Anatomy, 6e', 'Essential Clinical Anatomy, 2e', 'Essential Ultrasound Anatomy, 1e', 'Grant's Atlas of Anatomy, 13e', 'Grant's Dissector, 16e', 'Grant's Dissector, 17e', 'Grant's Atlas of Anatomy, 14e', 'Lippincott Williams & Wilkins Atlas of ANATOMY', and 'Lippincott's Atlas of Anatomy, 2e'.

A **NEW** feature offers you the chance to Bookmark your favourite books, chapters, figures and tables!

Copyright	Dedication	Contributors	Reviews	Preface	Acknowledgments	Figure Credits
☆	Chapter 1: Integrated Approach to Clinical Encounters					p1-26
☆	Chapter 2: Thorax					p27-78
☆	Chapter 3: Abdomen					p79-138
☆	Chapter 4: Pelvis					p139-174
☆	Chapter 5: Back					p175-204
☆	Chapter 6: Upper and Lower Extremities					p205-264
☆	Chapter 7: Head and Neck					p265-326

The **NEW** 'Text to Speech' tool can highlight and read aloud each sentence providing a multisensory experience that combines seeing with hearing.

User-friendly search within and across titles.

The screenshot shows the Lippincott Health Library interface for Physical Therapy. A search for 'Physical Therapy' has been performed. The results page displays the book cover for 'Musculoskeletal Assessment' by Noel M. Clarke. A context menu is open over the link '2: Relating Assessment to Treatment', showing options like 'Open link in new tab', 'Copy link address', and 'Inspect'.

Share/print book chapters

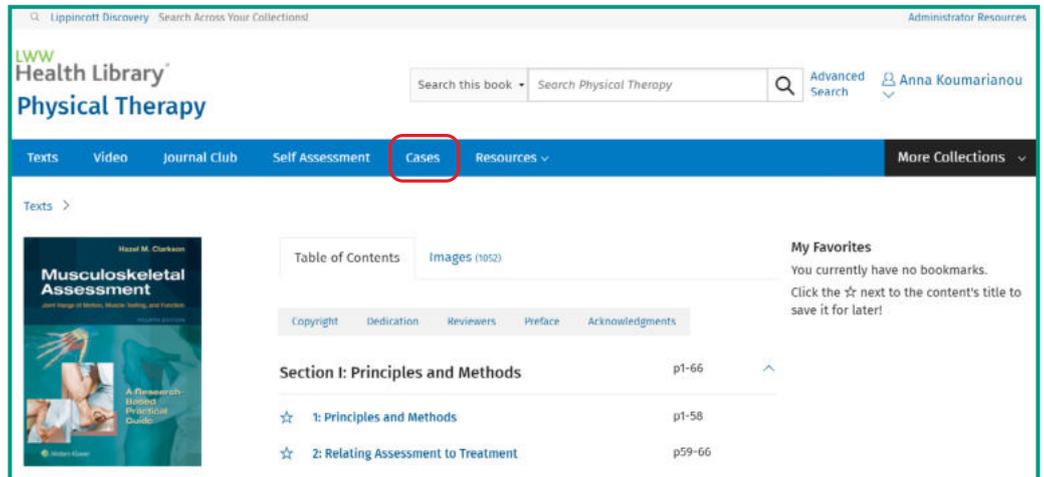

The screenshot shows the chapter details for '1: Principles and Methods' from the book 'Musculoskeletal Assessment: Joint Range of Motion, Muscle Testing, and Function: A Research-Based Practical Guide, 4e'. The chapter content is displayed, and the 'Share' and 'Print' buttons are highlighted with red circles. Other options like 'Text', 'Figures', 'Tables', and 'Get Permissions' are also visible.

Download and bookmark high quality images with copyright information to import into Powerpoint.

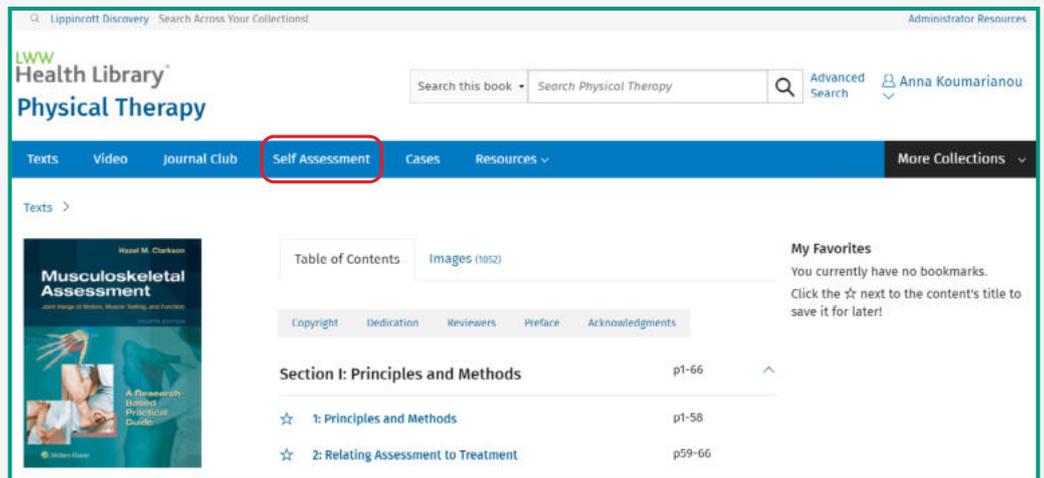

The diagram, labeled 'FIGURE 1-11', illustrates the radioulnar syndesmosis. It shows the humeroulnar joint, humeroradial joint, superior radioulnar joint, interosseous membrane, and inferior radioulnar joint. A red star icon is in the top right corner. Below the diagram, there is a 'View Original' link and a 'Download Slide (.ppt)' button, which is highlighted with a red circle.

Radioulnar syndesmosis.

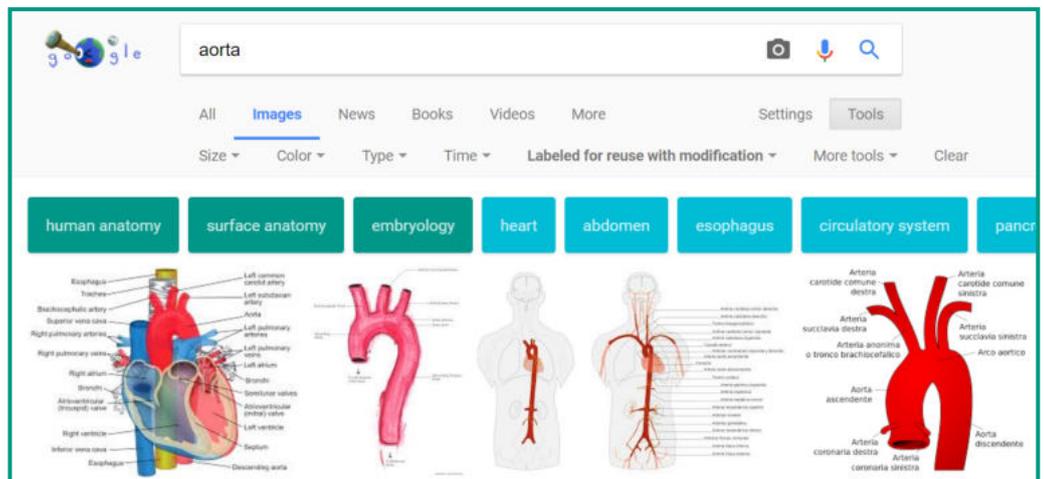

Access different cases to discuss where applicable.

Assess your knowledge on different subjects.

With LWW Health Library you will have access to some of the most renowned titles, Clinically Oriented Anatomy, Exercise Physiology, Willard & Spackman's Occupational Therapy, Histology: A Text and Atlas and many more...

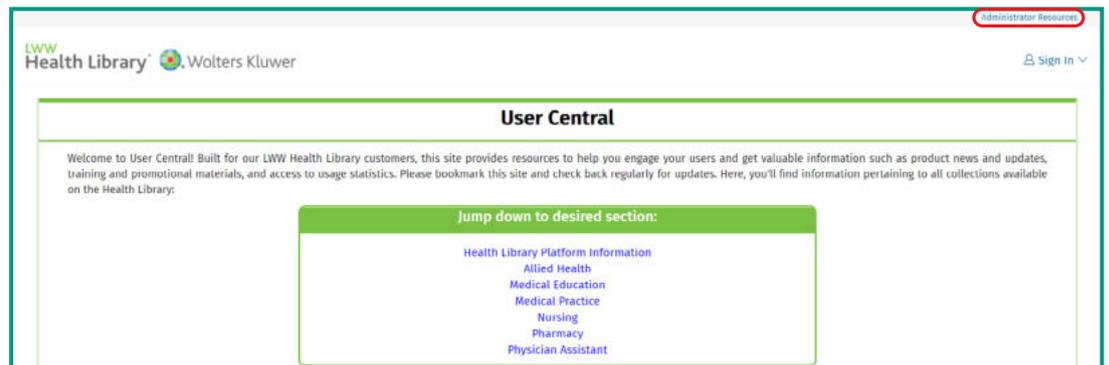

New editions of titles will be added to the collection in which they belong at the time of publication.

Administrator Resources – User Central

Administrator Resources offer valuable information on products news and updates, training and promotional material and usage statistics. The page includes a useful FAQ section, a comprehensive user guide, alphabetical title list and more.

The Administrator Resources link is constantly present on your screen, regardless of which page you are on.

Learn more about this valuable resource on the following video [Health Library Faculty onboarding](#)

In addition to the many resources available on Health Library many of the texts within each Collection also include Instructor resources. With every subscription to the LWW Health Library, we provide your Institution with access to these resources via [thePoint](#), so that you have everything you need to further support remote learning.

And to further assist remote learning...

Lippincott Discovery is a central portal homepage that consolidates all your library resources and services into one place so you can easily see what is available and become more aware of everything your library has to offer.

Provided your institution is subscribed to these resources, you can search throughout:

[LWW Health Library Collections](#) | [Bates' Visual Guide to Physical Examination](#) | [Acland's Video Atlas of Human Anatomy](#) without using different access modes.
